**JOIN US FOR A LENTEN RETREAT OF
RESTORATION AND HEALING IN CHRIST**

In this life we all suffer from woundedness. Some wounds are from the outside or from other people. Other wounds come from within us. Our woundedness can be a source of embarrassment or even an obstacle to growth in our relationship with Christ.

Is there a connection between our wounds and the wounds of Christ? If so, what is it? How can what St Paul calls the 'logic of the cross' transform us in grace to become the Image of God we were created to be?

This retreat offers Holy Mass, inspiring talks, Adoration, and Confession.

TICKETS \$40
\$30 for League members
